Overview

The Double-Wall Carry-Out Bag is a compact, insulated paper bag designed to keep cold items chilled during transport. Built with a kraft outer layer and a kraft inner layer, this unprinted double-wall bag provides effective, sustainable insulation for the trip home.

Features

- Double-Wall Insulation: Two layers of kraft paper provide a thermal barrier
- Outer Layer: Bleached kraft paper for a bright, clean look
- Inner Layer: Kraft paper that adds structure and additional insulating support
- Capacity: Designed to securely hold up to 1 and 2 quarts or 1 half gallon of cold items

Benefits

- Temperature Retention: Insulated layers help reduce temperature loss
- Sized Just Right: Compact design fits one-quart containers
- Grease and Moisture Control: Kraft paper construction absorbs condensation
- Brand-Ready: Neutral design works across different food service operations

Applications

Delis: Ideal for cold desserts like sorbet, gelato, or frozen cakes. Catering: A solution for distributing individual frozen servings or cold desserts.
