Overview

This bag is made from bleached glassine paper. It provides excellent grease resistance, transparency, and gloss. Designed for product protection and visibility, suitable for a wide range of uses in foodservice.

Features

- Finish: Smooth, glossy surface
- Grease Resistant: Effectively blocks oil and grease
- Biodegradable: Compostable under proper conditions
- Transparent: Offers clear view of the product inside

Benefits

- Visibility: The transparent gloss finish highlights packaged items
- Effective Barrier Protection: Prevents grease staining with excellent moisture release
- Flexible Usage: Accommodates a broader range of small products
- Appearance: Gloss of glassine adds a clean look to packaging

Applications

Retail & Food Service: Ideal for portioning and presenting spices, grated cheeses, nuts, confections, or shredded cheeses. Compact packaging for small, takeaway food items.
