Overview

This is a small flat-style bag made from bleached glassine paper. This bag delivers superior grease resistance and excellent product visibility for a cookie, a hashbrown or products of similar size.

Features

- Finish: Glossy and smooth
- Grease Resistant: Designed to prevent oil and grease seepage
- Biodegradable: Compostable under proper conditions
- Transparent: Provides clear visibility of contents

Benefits

- Clean, Attractive Appearance: Glossy finish enhances display
- Keeps Contents Clean: High grease resistance preserves product quality
- Versatile: Serves multiple industries for foodservice and retail packaging needs

Applications

Retail & Food Industry: Packaging for spice blends, confections, grated cheeses, and sample portions. Compact, neat presentation for food carry-out and display.
