Design Tips

- Minimum 1/32" (0.315) trapping
- Bleed areas to be set non-reversible just
- Areas of this may be covered or partially cut off during production
- Print area is for vital art
- Minimum gap for fold-back if covered!
- " and " should be 8pt minimum
- Back flap fold-over size will vary
- Please assign Uncoated Pantone Colors
- Convert all fonts to outlines before sending final art
